------------------	--------------------------	-----

- All participants in any of the SBYA BOTY series events that have a current, valid, WFPHRF certificate are automatically entered in the SBYA BOTY competition.
- To be considered for a SBYA BOTY award, a boat must compete in at least 4 of the regattas scored in the series.
- The “percentage of boats beaten” scoring method will be utilized. Each final regatta score will be 1 point plus percentage of boats beaten. For example, if your final standing in a regatta is 4th overall in a 10 boat fleet, since you beat 6 of 10 boats, the percentage of boats beaten = 6/10 = .600. Your total regatta score = 1.600.
- A “qualified boat” is one that participates in at least 4 of the regattas raced. The “series score” for each boat will be the sum of its regatta scores. However, exclude its worst scores in excess of 4 regattas raced. The qualified boat with the highest “series score” is the winner, and others are ranked accordingly.
