Top 13 finishes scored – High Point Scoring as follows:

Each boat gets 5 points for checking in at the start plus 1 point for each boat they beat in a buoy race.

Each boat gets 5 points for checking in at the start plus 1.25 points for each boat they beat in the Summerset Coastal Race.

Each boat gets 5 points for checking in at the start plus 2 points for each boat they beat in the Naples Offshore, the Naples to Key West and the Key West to Naples races.

Boats receiving a DNF or OCS receive their check in points only.

Boats receiving a DNS or DNC receive no points.

Trophies awarded to top 3 finishers in each division.

The Sportboat Division will not be run for the Naples Offshore, the Naples to Key West or the Key West to Naples races.

Each boat must have, or obtain a current, valid WFLPHRF rating certificate within 30 days of the event to be scored for the event. Boats without current, valid ratings within 30 days of the event will lose their scores.

There is no cost to enter the series but each boat must register by visiting the BOTY page of the West Florida PHRF official website and clicking on the “register” button to declare the series and division they are entering.

Boats must enter each regatta individually, following the rules of entry for each host club’s event.
