Addition to Series
Motley Fleet Schedule 2008 – 2009

The Motley Fleet will follow a slightly different program to the SBYA BOTY Series. We recognize that there are new sailor's who would like to try racing as well as sailors who have avoided starting lines because of apparent chaos created by lots of boats trying to get to the same spot at the same time or perhaps you are just a cruiser looking to spice things up a little. The Motley fleet is an opportunity to learn racing from the experts, to get out on the race course, have fun and feel at ease.

- All races will be hosted by the Sarasota Sailing Squadron on Sundays on the dates listed:
 - September 21st, October 19th, November 16th, December 14th, January 11th & 25th, February 15th, March 8th & 22nd, April 19th.
- All participants in any of the Motley Series events that have a current, valid, WFPHRF certificate are automatically entered in the SBYA Motley Series competition. Visit www.westfloridaphrf.org to download, print and complete a rating application.
- Expected classes: Non spinnaker, True cruising.
- All races will be a "Pursuit start" sailed in Sarasota Bay.
- Start times and course to be sailed will be available at skippers briefing at 12pm on day of race.
- Races will be scored Low Point System with one throw out per 5 races sailed
- To qualify for the series awards you must sail at least 50% of races held.
- Races will be governed by the Racing Rules of Sailing and WFPHRF class rules.
- **Win a Trophy!**

The number of trophies for each division will be based on the number of boats "qualifying" for the series.

Number of Qualifiers	Trophies
1	1
3	2
5	3
7	4
