- The Organizing Authority (OA) is the member organization(s) hosting the event.
- All participants in any of the Sarasota Bay Yachting Association Boat of the Year Series that have a current, valid, WFPHRF certificate are automatically entered in the SBYA BOTY series. There is no fee or registration for entering this Series. Rating certificates are available at www.westfloridaphrf.org.
- A boat must compete in at least three of the Regattas to qualify for a SBYA BOTY award.
- A Boat may compete in one class only for the Series.
- Class breaks and divisions will be assigned by the Organizing Authority of each event. Their decision is final and not subject to a request for redress.
- Each regatta will be scored as “Days of Racing”. Where there are multiple races in a (qualifying) day of a regatta, each race’s rankings will be merged and scored as a single race for that day. Any throw-outs defined by the OA will be considered. Any day(s) excluded from SBYA BOTY scoring by the OA must be specified in that regatta’s NOR.
- The “fraction of boats beaten” scoring method will be utilized. Each competing boat’s final regatta day score will be 0.1 point plus the fraction of boats beaten. For example, if a boat’s final standing for a day is 4th overall in a 10 boat fleet, then the fraction of boats beaten = 6/10, or 0.6 - and the day’s score will be 0.1 + 0.6 = 0.7. Note that a “competing boat” is defined as one that was in the starting area at the time of the first race, regardless of any subsequent reason for not being scored.
- The “series score” for each boat will be the sum of her race scores excluding her worst N scores, where N = 20% (rounded up) of the races completed by that class. For example, if a class sails 14 races for the season, then each boat will have her worst 3 race scores excluded (including races in which they did not compete) (20% of 14 = 2.8, which rounds up to 3). The qualified boat with the highest “series score” is the winner, and others are ranked accordingly.
- Awards per division will be determined by WFPHRF.
- Regatta organizers may provide either Buoy/ WL courses or RLC or OWC courses for Spin, Non-Spin and Multihull but should provide RLC or OWC courses for all other classes.
